

Orchid Society of Greater Kansas City
Meeting Minutes
December 8, 2019

The Martins and Prouts are planning to install an exhibit for OSGKC at the St. Louis Orchid Show.

They need to leave Saturday afternoon. Therefore, members are needed to take down and bring back the plants and supplies Sunday at 5pm.

Eric Shirling is the new Ribbon Judging chair for 2020, and did his first judging. Of note is that Doug and Beth Martin received Plant of the Month for Clo. Joy Prout.

Attendees enjoyed a potluck lunch with contributions by society members.

Jean Rogers routed a membership list for the members to review their contact information for completeness and accuracy.

As part of our Christmas party, members enjoyed winning the 40 plants offered in the raffle. Our thanks to our volunteers helping out.
